SIGN THE STRIKE PLEDGE!

The Progressive Conservative Provincial Government is underfunding schools, forcing cuts to staff, cuts to benefits, and causing increased violence in the workplace. The health and safety of students and staff is in crisis in Ontario's schools.

Meanwhile the cost of living has risen significantly over the last decade, and wages have not kept pace. This has led to an affordability crisis for CUPE education workers. Many school boards can't recruit and retain qualified education workers because the job just doesn't pay enough.

**Education workers deserve better.
Students deserve better.**

CUPE education workers in all classifications across all school boards in Ontario are uniting to resist cuts and reclaim schools.
