

PROVINCE-WIDE DAY OF ACTION TOGETHER for publicly funded education

As we head into a critical round of bargaining, it's time for education workers across Ontario to stand united! On April 29th, education workers from the OSBCU, AEFO, OSSTF, ETFO and OECTA will take part in a province-wide day of action.

Here's how you can take part:

- CUPE-OSBCU Members Wear purple on April 29
- Show your solidarity with coworkers across unions
- Take a photo with your purple and red-wearing coworkers
- Share it on social media using #ontedunited and #ontedunifié

Why it Matters: When education workers act together we send a clear message to the Ford government: We are united. We are organized. We are ready to bargain an increase to staff!

Your participation makes a difference.

Let's fill our worksites with purple and red and show the power of our collective voice!
