

MRM-Strike Forms Tutorial

Creating your account on an iPhone

Hi and welcome to this short tutorial on how to use CUPE's Member Relationship Management system for your upcoming (possible) strike. My name is Isabelle Dault and I work in the Union Education Branch at the National Office. We've devised this tutorial in the hopes of getting you comfortable in creating an account in MRM-Strike Forms which will allow you to participate in the strike electronically.

It all starts with an email. You should receive one that looks something like this. Click on Click Here.

A screenshot of a mobile application interface for CUPE-SCFP. The screen is titled "User Details" and prompts the user to "Please provide the following details." A blue message box at the top states "E-mail address verified. You can now continue." Below this are input fields for "Email Address" (containing "@gmail.com"), "Name" (containing "Alana Staniko"), "First Name" (containing "Alana"), and "Last Name" (containing "Staniko"). A blue "Continue" button is at the bottom. The entire form is set against a white background with a maroon border.
