

MRM-Strike Forms Tutorial

Form A – President of the local

Thank you for creating your MRM-Strike Forms account. You are now ready to revise and sign Form A which notifies the appropriate parties at CUPE National that your local has taken a strike vote.

If prompted, sign in

A screenshot of a mobile application's sign-in screen. The screen has a dark gray background. In the center is a white rectangular box. At the top of this box is the logo "CUPE-SCFP" in a bold, italicized, sans-serif font. Below the logo is the text "Sign in" in a smaller, bold, sans-serif font. Underneath "Sign in" is a text input field with a light gray border and a small envelope icon on the left. The placeholder text "Email Address" is visible inside the field. Below the input field is a wide, dark gray button with a thin red border and the word "Next" centered on it in a small, light gray font.

First, you are going to sign into your app from your telephone or computer. Personally, I find it easier to do this work from a computer but I will show you how to do it on both devices.

Form A – computer view

The screenshot displays the CUPE-SCFP web application interface. The top navigation bar is orange and contains the CUPE-SCFP logo, a 'TEST SITE' indicator, and a user profile icon labeled 'luanda'. A sidebar menu on the left lists various options: 'Minimize', 'Strike Forms', 'Dashboard', 'Strikes' (highlighted with a red box), 'My Timesheets', 'Strike Calendar', 'Strike Locations', 'Scan QR Code', and 'Show my QR Code'. The main content area is titled 'Strikes' and 'Strike L-2043'. It features a 'Notice of Strike Mandate - Form A' section with a 'Send for signature' button (highlighted with a red box). Below this, there is a form with fields for 'Local Union No.', 'Name of Employer', 'Town/City', and 'Province'. The 'Province' dropdown is set to 'Alberta'. The form also includes a 'Category of employees' section with a 'Strike member' field set to '200'. A 'Strike date vote taken' field is set to '14-Jan-2025'. The 'Results of strike vote' section shows 'for strike' with a value of '200' and 'against strike' with a value of '10'. A 'Bargaining history' section is also present, followed by a 'Summary of outstanding issues' section.

Let's start with the computer view. From the Strikes menu on the left-hand side, you should see Form A.

Form A – mobile view

The image shows a mobile application interface for CUPE-SCFP. At the top, there is a header with the text "CUPE-SCFP *** TEST SITE ***". Below this is a "Search Strikes" section with a search bar and a magnifying glass icon. The search bar has two input fields: "Local Union #" and "Strike Description". Below these are fields for "Employer" (with a placeholder "Enter Employer Name") and "Status" (a dropdown menu). At the bottom of the search section are "Search" and "Clear" buttons. Below the search section is a "Search Results" section. It contains a table with the following columns: Start Date, End Date, Local, Strike Description, Status, and Local President. The table has two rows of data. The first row has a red square icon in the Start Date column, the date "29-Jan-2026", the Local number "2843", an empty Strike Description, a pink circle icon with "On Strike" text in the Status column, and the Local President "Juanita". The second row has a blue square icon in the Start Date column, the date "29-Jan-2026", the Local number "2843", the Strike Description "Isabelle test", a green circle icon with "Active" text in the Status column, and the Local President "Juanita". At the bottom of the app is a navigation bar with four icons: a home icon, a magnifying glass icon (labeled "Strikes"), a person icon (labeled "My Strike"), and a profile icon (labeled "Profile"). The "Strikes" icon is highlighted with a red square.

Start Date	End Date	Local	Strike Description	Status	Local President
29-Jan-2026		2843		On Strike	Juanita
29-Jan-2026		2843	Isabelle test	Active	Juanita

I'll now show you what Form A looks like from a mobile phone and how to sign it. First click on Strikes from the bottom menu. Then click on the details button.
